

What needs me

Thirteen things are in motion here. Five need your judgment; the rest are with people who have been asked. Nothing on this list is a status number — every row is a piece of work with a name against it.

WHAT	WHERE IT SITS	WAITING ON	CLOCK	
Breach determination — notifiable to the CNIL? Assessment drafted, reported by James Okafor. The determination has to carry your name.	Incidents	You	41:12 left	Decide
Personnel file for the access request The last piece outstanding. HR has not returned it.	Rights	Sofia Lang	Day 25 of 30	Chase
Access review for the order system ISO corrective action. BSI return in 62 days and will open with this.	Audit	James Okafor	Overdue 41d	Chase
DPIA sign-off — loyalty programme profiling Residual risk high. Art. 36 prior consultation flagged.	Assessments	You	Overdue 4d	Review
Erasure request — partial refusal proposed Seven transaction records retained under the commercial code. Needs your name against the refusal.	Rights	You	Day 5 of 30	Decide
Two training modules awaiting approval Subject requests, and reporting something that went wrong. Nothing publishes until you approve it.	Training	You	Drafted 8 Sep	Review
Three register drafts from intake One new vendor, two purpose changes. Four fields inferred rather than stated.	Register	You	Oldest 5d	Review
Scope of the affected export How many records left the building, and to whom. Blocks the determination above.	Incidents	James Okafor	Asked 6h ago	Open
Lifecycle rule on the order archive Agreed 9 Sep. Not yet applied. Until it is, the retention schedule is a document, not a fact.	Governance	James Okafor	Due 20 Sep	Open
Two vendors with no signed DPA Countersign, or stop sending them data. Finance has both.	Audit	Claire Bernard	Due 14 Oct	Open
Data categories for the returns process One question. The register entry cannot be completed without it.	Register	Marie Dubois	Asked 3d ago	Open
Northgate security questionnaire 61 questions. 44 answer themselves; six are with the people who hold the answer.	Audit	Northgate	Due 23 Sep	Open
Security questionnaire sent to Meridian Pay The vendor has not returned it. They cannot be added to the register until they do.	Assessments	Meridian Pay	Sent 11d ago	Open
Ordered by what runs out first, not by which tab it lives in. Two rows block each other: the determination cannot be made until the scope of the export comes back.
